

# WELCOME TO

 Missouri Baptist UNIVERSITY

We are so glad that you are here! To keep our MBU community safe and healthy, we have implemented the following guidelines in accordance with CDC guidance.

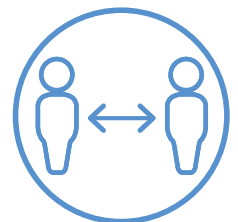

Stop. If you feel unwell, please do not proceed onto campus. All employees should take their temperature before coming to work and should stay home if they have a fever.

While on campus, please wear a mask covering your nose and mouth in the presence of others. If you do not have a mask, some are available in the Student Development office or at the main receptionist desk in the Administration building.

Utilize proper handwashing techniques, including washing your hands for at least 20 seconds.

Please maintain physical distancing by staying at least 6 feet from one another.

For any concerns, email: [COVID19Response@mobap.edu](mailto:COVID19Response@mobap.edu)

# KEEP YOURSELF AND OTHERS SAFE

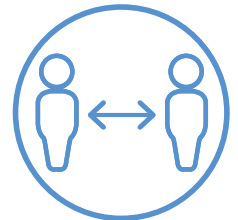

Stop. If you feel unwell, please do not proceed onto campus. All employees should take their temperature before coming to work and should stay home if they have a fever.

Masks are required when in common areas and while in the presence of others. If you do not have a mask, some are available in the Student Development office or at the main receptionist desk in the Administration building.

Perform hand hygiene frequently, including before and after touching your mask or face, when entering common workrooms and breakrooms, and while using shared workstations.

Please maintain physical distancing by staying at least 6 feet from one another.

Wipe down high-touch surfaces in workrooms, breakrooms and workstations at minimum at the start of your shift. High-touch surfaces include door handles, cabinets/drawers, microwave buttons/handles, refrigerator handles, shared coffee pots, etc.
