### HELP US KEEP IN CONTACT!

To review and update your addresses please click on the [Edit Profile](#) button in the upper left corner below your name. You have the ability to update your billing, home and/or your local addresses. Your Billing address is the address where your billing statement will be sent. The Home address should be your permanent address. The Local address is the address you live at while in school (dorm, apartment, etc.)

All addresses need to be kept up to date and accurate to ensure you receive all MBU communications which can include statements, financial aid offers, refund checks, etc.

If you need assistance with the registration process, if you have had difficulty connecting with your advisor, or if you simply have not taken the time to set up a meeting with your advisor, please come to the ASC!
