

MoCA – The Missouri Content Assessment (MoCA) replaced the Praxis and SLS Series assessments in Missouri as the content area exams for all areas of certification beginning September 1, 2014. The Department of Elementary and Secondary Education has changed the “Cut” score each year, so comparison of data should be made with caution.

Summary of data:

- (a) In 2014, 35 MBU students completed the MOCA with a pass rate of 60%.
- (b) In 2015, 544 MBU students completed the MOCA with a pass rate of 48.9%.
- (c) In 2016 to date 550 students have completed the MOCA with a pass rate 51.8.
