

Timetable for Degree Completion

This form is only to be completed by students who have already or will inevitably exceed the maximum time frame for degree completion (150% degree completion) prior to completing their degree. The timetable below should lay out the coursework you must take to complete your academic program by the end of the next spring semester. If university policies or rotational course offerings require a student to take longer than the end of the next spring semester to complete your degree, a longer timetable will be considered only if necessary.

Student Information

Student's Name: _____ Student ID Number: _____

Timetable for Degree Completion
