| Standards based grading, data, and appropriate work level | 2022 | 40266 |
| Preparing and running small groups. | 2022 | 40378 |
| Classroom management, I know it is something that is hard to 'teach' however, when a child has thrown him/herself in the middle of your classroom floor during your instruction time. I had no idea what to do. But, I can tell you different theorists and what they believe. | 2022 | 40411 |
| Encouraging them to become better people, instilling the value of education and positivity. | 2022 | 40536 |
| The students were on different learning levels and it was challenging to try and meet their goals and provide instruction. | 2022 | 40538 |
| Students that have a negative outlook towards everything you try engaging them with. | 2022 | 40628 |
| Incorporating lessons on social and emotional skills into my daily lessons that had to be taught from the curriuclum. | 2022 | 40717 |
| I struggled to keep up with a pacing guide that lacked extra time for filling COVID gaps, various school wide activities, or room to reteach. | 2022 | 40748 |
| Helping ELL students understand the material with no support from the school | 2022 | 40801 |
| Classroom and behavior management, SPED knowledge, trauma, and SEL | 2022 | 40830 |
| Being unsure how to discipline/school's policy on sending students to the office. | 2022 | 40849 |
| differentiation | 2022 | 40894 |
| Dealing with classroom behaviors. | 2022 | 40940 |

| differentiating instruction for classes with a wide range of student needs and abilities | 2022 | 40988 |
|--|----------------|----------------|
| My greatest struggle this year has been having one student three levels below grade level and one student well above grade level. | 2022 | 41016 |
| figuring out how to manage high school kids when most my classrooom management training was aimed at middle school students or lower. | 2022 | 41038 |
| Student Aggression | 2022 | 41086 |
| Violent Behaviors | 2022 | 41095 |
| I feel like there is not enough of me to go around. I find that a lot of students need different things and it is hard to make sure you are meeting every need when you have a very large class. | 2022 | 41126 |
| Mixed age groups not appropriate for learning | 2022 | 41155 |
| Getting students off of their cell phones. | 2022 | 41285 |

| 52. What is the single most important area that teacher preparation programs should | | |
| Giving more strategies to bridge the gap from low level learners to the gifted students in the exact same class. | 2022 | 39722 |

| Exposing pre-teachers to more IEP meetings and understand what all goes into assuring that a students goals are reached. I feel this is an area that I did not have enough experience in especially coming in and having a co-teaching classroom that was CWC part of the day. | 2022 | 39813 |
|--|------|-------|
| Be realistic. I can somewhat see the purpose of those lengthy lesson plans, however, they're not realistic. I write my lesson plans down in a planner and that's the extent of it. | 2022 | 39817 |

imagine and I feel like I could have been more prepared for that and the feelings that go along with it.

| Discipline procedures and classroom management related to technology. | 2022 | 41285 |
|---|------|-------|
| I think classes about writing IEPs or talking about IEPs would be beneficial. | 2022 | 41288 |
| More in classroom strategies. We did a ton of work on the admin side of things when I feel like it should have been geared toward the actual teaching part. | 2022 | 41438 |
| No suggestions. | 2022 | 41605 |
| Make it more realistic. No education classes prepare you for what students are actually like. | 2022 | 41645 |
| Parent teacher relationships and 504 and IEP training. | 2022 | 41651 |
| I think we should research how the pandemic has affected students social, emotional, and mental health and start preparing future teachers for those affects. | 2022 | 41682 |
